U. S. Naval Officers Re- ports Agree That Only One Was Concerned

Known List of Victims Remains At Six Despite Report That Three Others were Sunk

STATES VESSEL SHELLED

NEWPORT R. I., Oct. 9.—The wholesale raid on foreign shipping south of Nantucket Sunday was the work of one submarine according to reports of American naval officers. Rear Admiral Albert Gleaves, commanding the torpedo boat destroyer flotilla which did such remarkably speedy rescue work yesterday, said tonight that the reports of all his officers agreed that to the best of their observation one raider only was concerned. This boat presumably was the German submarine U-53, which called at Newport Saturday afternoon to mail a letter to Ambassador von Bernstorff.

Admiral Gleaves said he could understand easily the positive statements of the captain of Nantucket light ship and of sailors of the torpedoed vessels that more than one submarine was engaged. "The type U-53 was very fast and appeared to be handled easily. It was easy, he pointed out, for her to disappear on one side of a ship and then show up unexpectedly at another spot." Doubtless he believed she had submerged and reappeared often enough to mislead any one but a keen naval officer and create the impression that more than one sea terror was operating.

The known list of victims of the submarine remains at six notwithstanding reports from the Nantucket lightship that three other ships, the identity of which could not be learned, were sent to the bottom. There also was a persistent rumor without verification that a British cruiser, one of the allied patrols sent to the submarine zone, had been attacked.

Ten more refugees were landed here tonight by the Mayville, tender of the destroyer flotilla, which picked up ten Chinese members of the crew of the steamer Strathdene. They were sent to the training station to be held until immigration inspectors pass on them.

Destroyers swept the waters on a wide area today in a vain search for the crew of the steamer Kingstonian who were seen by members of the steamer Strathdene to take to their boats before their vessel was sunk.

Notwithstanding the lull in submarine activities today, shippingmen were by no means reassured. If only one raider were concerned she might be waiting only to replenish her supplies. They believed that this gave rise to a renewal of reports that elaborate methods of supplying foreign submarines from American bases had been perfected.

In many quarters, the opinion was expressed today that another outbreak of the U-boat and her consorts, if she had any, would not be surprising.

Refugees have declared that they saw a German supply ship hovering in the vicinity of the raid Sunday.

Altho fuel tanks may have been replenished from the Norwegian steamer Christian Knudsen, naval officers expressed the opinion that after a day of such remarkable activities as yesterday's submarine must be short of ammunition. Reports of many of the refugees agree that the submarine which halted their ships was prodigal in the use of shells and most of them were of the opinion that after their steamer had been shelled it was given her finishing blow by a torpedo.

States No Warning Was Given.

New York, Oct. 9.—Thirteen shots were fired at the British steamer Strathdene, one of the vessels sunk by a German submarine off Nantucket yesterday before the 33 members of the crew had taken to their boats, according to Capt. Wilson, the Strathdene's commander, who was brought here today with his crew by the Uruguay steamer P. L. M. No. 4.

"My ship was attacked without warning," declared Capt. Wilson after he had given a detailed statement of the incident to the British consul-general. "Thirteen shots were fired before we left the vessel. None of the shots however struck the ship until we had taken to the boats."

Under instructions from the consul general, Capt. Wilson declined to give out further information.

Members of the Strathdene's crew said that after they had pulled away from their ship they saw the submarine approach the oil steamer Christian Knudsen whose crew seemed to be getting ready to lower their boats. The submarine then returned and torpedoed the Strathdene and again steamed toward the oil ship and apparently replenished her oil tanks. Several torpedo boats were in the vicinity and sailors said when the two ships were sunk. Officers of the rescuing ship asserted the Strathdene's officers told them the

ADVISORY COMMITTEE OF G. O. P. MEETS IN CHICAGO

Receive Reports From Each State West of Ohio

Members Express Themselves As Satisfied With the Progress of the Campaign in the Western Division—Manager Hirt Issues a Statement.

Chicago, Oct. 9.—Members of the Republican National advisory committee met at western Republican headquarters today and received reports from each state in the territory west of Ohio together with a list of the speakers assigned to each district. After a long discussion the members expressed themselves as satisfied with the progress of the campaign in the western division.

Those present were Alvin T. Hirt, manager of western headquarters; James Wilson, former secretary of agriculture; Raymond Robins of Illinois; Frank H. Hitchcock of New York; Victor C. Rosewater, of Nebraska; William H. Ward, of New York; and Gov. R. L. Hecker of Rhode Island.

Manager Alvin T. Hirt issued a statement in which he said:

"There is nothing doubtful about Illinois. This state is assured for Hughes and Fairbanks. There have been attempts by the Democrats to make it appear that there is a fight in the ranks of Republicanism over conditions in this state. Illinois is all right and will prove the point on election day. We are pleased with the political outlook in the west and are confident of victory in November, but realizing that a campaign of education to be successful must be persistent and thorough we intend to continue our activity throughout the territory to the day of election.

"Our Democratic friends have been playing up the 'kept us out of war' issue strongest in the suffrage states on the theory that the women voters are for peace at any price. Republican analysis of that issue has shown that the country has not Mr. Wilson to thank for our being at peace with Europe and so far as Mexico is concerned the slogan does not apply. The loss of American lives due to the 'ravages of peace' in Mexico has been heavier than the loss entailed by the Spanish war. Who kept Sweden, Norway, Holland and Switzerland out of war? It was by firm adherence to principles and strict neutrality.

"I regard Wisconsin, Montana and Colorado as the principal fields of contest in the west today. In each of these states we plan to conduct an intensive campaign of education right up to the seventh of November."

FILE REORGANIZATION PLANS OF RAILROAD

JEFFERSON CITY, Mo., Oct. 9.—Plans for the re-organization of the Missouri Pacific railway and of the St. Louis, Iron Mountain & Southern railway, the whole known as the Missouri Pacific System, were filed today with the Missouri Public Service Commission. This action was taken as a step to end the receivership of the two railways.

The plan was submitted by the re-organization managers, Kuhn Loch & Co., of New York and provides for the formation of a new corporation with a total capitalization in round numbers of \$379,000,000.

PROHIBITIONISTS MEET IN PEORIA

Peoria, Ill., Oct. 9.—Prohibition national campaigners found on their arrival here tonight that the use of the courthouse yard had been denied them for a meeting because, it was said, it was not intended to be used for political purposes, so they adjourned to a church and proceeded to play the liquor interests. Political meetings were held on the courthouse steps during the recent primary campaign, the dregs learned, but they took the refusal of the grounds calmly, saying the step against them probably was taken "to protect the grass."

GIVES OPINION OF PLANS

Atlantic City, Oct. 9.—General Tasker H. Bliss, assistant chief of staff of the United States Army today informed the American representatives of the Mexican-American joint commission of the weakness and strong points in the different plans considered for the restoration and maintenance of peace along the Mexican border.

submarine was made fast to the tanker for three quarters of an hour taking oil, before that vessel was sunk.

Accounts of the torpedoing of the Strathdene told on board the P. L. M. No. 4 by the rescued crew, corroborated Captain Wilson's statement that his ship was fired on before the officers and crew got into the boats.

Capt. Yates of the P. L. M. No. 4 said Capt. Wilson told him that when the submarine came alongside, eight or ten officers, including Capt. Rose of the U-53 boarded the Strathdene.

"Capt. Rose ordered me to abandon ship immediately," Capt. Yates said. Capt. Wilson told him, "The two boats were lowered and the submarine commander gave instructions for reaching Nantucket lightship, ordering us to row as fast as possible. As we pulled away the submarine fired four more shots at her which struck above the water line."

The oil steamer just then hove in sight and the submarine headed for her, afterward returning to torpedo

War News Summarized

On the battle fronts in Europe, Transylvania and Macedonia continue for the moment the centers of greatest interest. According to Berlin, the Roumanians in Transylvania are retreating along the whole line. The Teutonic Allies have recaptured the town of Toerzburg, 15 miles southwest of Kronstadt, and within seven miles of the Roumanian border. In the Danube, north of Sistova, the Germans have occupied an island, taking six guns and making prisoners of the Roumanian troops there.

Serbian in considerable force have crossed the Cerba river in Serbia and captured the town of Skochivir, southeast of Monastir and also have occupied positions along the north bank of the river.

Considerable hard fighting again has taken place in the region west of Lutsk and farther south in Galicia, but the results are somewhat clouded by reason of the contradictory reports of the Petrograd and Berlin war offices statements. Petrograd says the Russians at some points in Volhynia succeeded in entering Austro-German positions east of Vladimir-Volynski but Berlin reports these attacks failed with sanguinary losses to the Russians. Near Brzezany southeast of Lemberg in Galicia, both Petrograd and Berlin record repulses of attacks. In the Carpathians the Germans have made an advance at Bahalindowa.

Violent reciprocal bombardments are in progress in the Somme region of France. Infantry attacks also have taken place but no important gains for either side have been chronicled.

SERIES CONTENDERS REACH BROOKLYN

Cool Wind, With a Threat of Rain, Indicates Football Rather Than Baseball Weather May Be in Store Today.

New York, Oct. 9.—Brooklyn made ready tonight to take its place for the time being as the baseball center of the universe. The shift called for by the world's series schedule brings the battling teams to Ebbets' Field for the third game of the big set and gives the loyal legions of Brooklyn rooters their first opportunity to rally in force in vociferous support of their favorites.

The Brooklyn club announced that all the boxes and virtually all the reserved seats providing accommodations for about 24,000 persons had been sold. All that remained to be disposed of were some 2,000 unreserved seats that had been provided in temporary bleachers of the circus variety erected in left field.

Tonight there was every indication that the 2,000 field seats would be quickly taken after the ticket window was opened at 11 o'clock tomorrow morning and that the game would be witnessed by a crowd that would fill the park to its 26,000 capacity.

Jack Coombs the "iron man" of former pennant fights in the American League and other world's series was looked to for a twirling feat that would stop the Boston rush, unless perhaps Rube Marquard might step in with another exhibition of high class pitching, this time before a friendly crowd and with better backing than in the initial contest.

The rival teams reached here on a late evening train from Boston, the Red Sox going to an uptown hotel in Manhattan for the night. The members of the Brooklyn squad took automobiles for Flatbush to spend the night in their homes there.

A cool wind with a threat of rain, blew from the southwest, indicating that football rather than baseball weather might be in store tomorrow for the battling clans and their hosts of followers.

AUTO RACER KILLED.

Green Bay, Wis., Oct. 9.—Going thru a fence of an automobile racing course in Sturgeon Bay racing with four others yesterday, Clarence Lemere, 25 years old, sustained fatal injuries, his death occurring at noon today. Lemere's machine pulled out fifty feet of fence, and turning over twice, landed on top of him and crushed his skull.

MOB HANGS NEGRO

Little Rock, Ark., Oct. 9.—Frank Dodd, a negro prisoner, held on a charge of having annoyed a young white woman last night was taken from the county jail at Dewitt, Ark., from the county jail at Dewitt, Ark., mob of 300 men and hanged from a tree in the outskirts of town.

CAPT BERRY REACHES ST. LOUIS

St. Louis, Mo., Oct. 9.—Captain John Berry, pilot of the Balloon Million Population Club, of St. Louis in which he departed from Muskogee, Okla., last Friday, arrived in St. Louis tonight. Captain Berry landed in Butler township, Harrison county, Mo., at 9:30 a. m. Sunday.

BOY TELLS OF SHOOTING.

St. Paul, Minn., Oct. 9.—Mrs. Anjela Dudek, recently released from a hospital for the insane sat today in the district court where she is being tried for the murder of Rev. Henry Japieski, whom she is alleged to have shot and killed as he knelt in the confessional of St. Casimir's 1916, and listened to the recital of Polish Catholic church, March 4, the tragedy by Boleslaus Hourish, a 15-year-old boy, the only eye-witness.

"I saw one shot fired and left the church terrified," the boy said.

HUGHES ASSAILS WILSON REGIME

Attack on Policies Couched in More Vigor- ous Terms Than Before

OUTLINES PROGRAM

Republican Nominee Refuses To Discuss Present Sub- marine Situation

RECALLS LUSITANIA CASE

PHILADELPHIA, Oct. 9.—Charles Evans Hughes in a speech at Metropolitan Opera house here tonight vigorously assailed the administration for its foreign and Mexican policies and outlined the Republican party program, in two respects as follows:

"We do not propose to tolerate any improper interference with American property, with American mails or with legitimate commercial intercourse.

"No American who is exercising only American rights shall be put on any blacklist by any foreign nation."

In respect to the references of seizures of American mails and the British blacklist of American firms (Mr. Hughes recalled the sinking of the Lusitania repeating the declaration contained in his speech of acceptance that had the American government left no doubt "that when we said 'strict accountability' we meant precisely what we said," there would have been no destruction of American lives by the sinking of the Lusitania.

Earlier in the day Mr. Hughes had authorized the issuance of this statement.

"Mr. Hughes was asked today for his views with respect to the present submarine situation. He refused to discuss it. He said he was not in control of official agencies and was not in receipt of official information. He said further that he had no desire to embarrass the administration in dealing with any current matters as to which the administration had the whole responsibility."

Mr. Hughes attack on the administration's foreign and Mexican policies was couched in more vigorous terms than he has heretofore employed.

"The administration asks for a vote of confidence," he said, "but its defenders certainly shout in protest when its record is critically examined. When its humiliating failure to safeguard American rights is held up to deserved condemnation it seeks to escape by asserting that vote of confidence," he said, "but war; that to disapprove its conduct is to favor war."

That Mr. Hughes characterized as an "astounding assertion" which could not avail to "divert attention from the serious errors committed."

"We all desire peace," Mr. Hughes said. "But we desire peace to be honorably maintained by correct policies by firm insistence on known rights, by deserving and holding the esteem of the world. We have not been kept out of war; we have not enforced our rights; we have sacrificed our honor."

"Has America forgotten Carrizal?" he asked. "What was that? Peace or war?"

"One brave officer," the nominee said he had been informed, "stricken with pneumonia was compelled to travel four days in an army wagon over rough roads in intense suffering and died in the camp to which he was thus removed."

This followed the "curt refusal" by Carranza authorities to allow the American troops to use the railroad.

"We have not been kept out of war," Mr. Hughes repeated. "We have had intermittent peace without honor and intermittent war without war."

"We cannot say now," he added, "in what particular sort of mess we shall find things in March next, but this much is certain: If entrusted with responsibility we shall be able to have it understood that there will be no meddling in matters which do not concern us; that we shall not simply talk of the rights of other states but shall observe them; and further at all events the lives and property of American citizens will be protected."

UTAH CAPITOL DEDICATED

Salt Lake City, Utah, Oct. 9.—Utah's new Capitol, one of the finest buildings of its kind to be found in any of the States, was formally dedicated and opened today, with simple but impressive ceremonies. The principal speakers were Governor William Spry and President Joseph F. Smith of the Mormon Church. Rt. Rev. J. S. Glass, Catholic bishop of Salt Lake, delivered the benediction.

TELEGRAPHIC BRIEFS

BURLINGTON, Iowa.—M. Fitzsimmons, age 49, a trucksmith employed at the Burlington Route shops at West Burlington, was run down and killed by a passenger train at West Burlington.

BLOOMINGTON, Ill.—Local freight officials were warned not to take any freight for export as it was very uncertain whether or not it could be shipped. No real embargo was ordered, merely a warning.

KEOKUK, Ia.—Two robbers bound the night watchman at the street car barns to a post with a trolley rope, blew open the safe and escaped with \$200 of Sunday's receipts.

LONDON.—Eleven persons were killed and sixteen injured in a railway collision between Schneidemuhl and Berlin, according to an Amsterdam despatch to the Central News Agency.

QUINCY, Ill.—John Degitz was crushed to death between a 12-ton crane and a stone wall at a foundry here while at work unloading machinery. He was 30 years old and began work Thursday of last week.

HAMMOND, Ind.—Six auto bandits held up eight restaurants in northern Hammond and made their escape with about \$2,000 in cash. The robbers fled across the state line into Illinois.

BERLIN.—The French and British lost 150 aeroplanes on the western front last month as compared with 21 lost by the Germans the War Office announced.

ELECTRIC RAILWAY CONVENTION

Atlantic City, N. J., Oct. 9.—Between 4000 and 5000 delegates, representing electric railways with an aggregate capital of more than six billion dollars, are coming to Atlantic City this week to take part in the thirty-fifth annual convention of the American Electric Railway Association. The convention promises to be the most notable in the history of the association. One day will be devoted to an historical review of the progress of American electric railways since the first line was put into operation in Baltimore some 30 years ago. This feature of the program will include addresses by a number of pioneers who have been associated with the electric railway industry since its first beginning in this country.

The part of the electric railways in the preparedness plans is a subject that will receive the attention of the convention. Recently the association appointed a committee headed by Gen. George H. Harries, former commander of the national guard of the District of Columbia, to co-operate with the war department in the preparedness movement, in which electric railways, connecting the coast defenses and radiating from important strategic points, will play a part.

Prominent among the speakers at the convention will be Prof. Clyde L. King of the University of Pennsylvania, William A. Stewart of the United States census bureau, Prof. John R. Wildman of New York University, Ivy L. Lee, the Rockefeller public expert, and P. J. Kealy, president of the Kansas City Railways company.

NATURE LOVERS STOP TREES OF "ADS."

Boston, Mass., Oct. 9.—Nature lovers in Massachusetts mobilized today for an organized campaign on advertisers who flaunt the merits of their wares on trees bordering the public highways. An army of Boy Scouts and volunteer workers, organized by the Massachusetts Forestry Association, with the aid of automobile clubs and women's clubs will spend the entire week in stripping tin, wood, cloth and paper advertisements from shade trees. The campaign has been designated as "tear down week." Those engaged in the crusade assert that the advertisements, aside from shocking a traveler's aesthetic sense, seriously damage the trees.

TREVINO'S WOUND INFECTED

El Paso, Tex., Oct. 9.—Gen. Jacinto Trevino's wound which he received while fighting the Villa forces in Chihuahua City has become infected and his condition is causing his friends much alarm, an American who arrived today from the Chihuahua state capital reported.

TORPEDO AUXILIARY CRUISER.

Paris, Oct. 9.—The steamship Gallia, an auxiliary cruiser carrying 2,000 Serbian and French soldiers was torpedoed and sunk on Oct. 4 by a submarine.

One of the largest Austrian warships blew up recently at Pola, according to a press dispatch from Zurich.

LOCATE VILLA AND ARMY.

Chihuahua City, Mex., Oct. 9.—Francisco Villa and his main army has been located at Tejocotaltepec, 35 miles south of Madera and only 80 miles south of Casas Grandes and the American expeditionary base at Ojinaca. Reports received by Gen. Jacinto B. Trevino's from his scouts in the field. Villa is reported to be moving north.

GIVE OUT THE TEXT OF ENTENTE MEMORANDUM

States Neutrals Should Detain Belligerent Submarines

Allies Urge Neutrals to Take Effective Measures with View to Preventing Belligerent Submarines From Making Use of Neutral Ports

London, Oct. 9.—The text of the memorandum recently sent by the Entente Allies to neutral governments respecting the admission of belligerent submarines into neutral waters or ports is as follows:

"In view of the development of submarine navigation and by reason of acts, which in the present circumstances may be unfortunately expected from enemy submarines, the Allied governments consider it necessary in order not only to safeguard their belligerent rights and liberty of commercial navigation but to avoid risks of dispute, to urge neutral governments to take effective measures, if they have not already done so, with a view to preventing belligerent submarine vessels which alter the purpose to which they are put from making use of neutral waters, roadsteads and ports."

"In case of submarine vessels the application of the principles of the laws of nations is affected by special and novel conditions. First by the fact that it is impossible to identify them and establish their national character whether neutral or belligerent, combatant or non-combatant and to remove the capacity for harm in the nature of such vessels. "It may further be said that any place which provides a submarine warship far from its base with an opportunity for rest and replenishment of supplies, thereby furnishes such addition to its powers that the place becomes in fact thru the advantage which it gives, a base of naval operations."

"In view of the state of affairs thus existing the allied governments are of the opinion that submarine vessels should be excluded from the benefit of rules hitherto recognized by the laws of nations regarding the admission of vessels of war or merchant vessels into neutral waters, roadsteads or ports and their sojourn in them. Any belligerent submarine entering a neutral port should be detained there."

OSBORNE RESIGNS AS WARDEN OF SING SING

Buffalo, N. Y., Oct. 9.—Thomas Mott Osborne's resignation as warden of Sing Sing prison was announced by James M. Carter, state superintendent of prisons here today.

Make Letter Public.

New York, Oct. 9.—In his letter of resignation to State Superintendent of Prisons Carter made public here it was with the distinct assurance that the wardens of the state prisoners were to be permitted full control of the details of the respective institutions under their charge without being subjected to the "annoying and mischievous interference to say nothing of the scandalous persecution that made good administration at Sing Sing impossible under your predecessors."

Mr. Osborne also said that it was understood the mutual welfare league system would have what it never yet had — a fair and full trial.

IDENTIFY WITNESS AS ONE OF BANDITS

PHILADELPHIA, Oct. 9.—Frank Vessella, who was held merely as a material witness, was identified today by A. J. Rider of Hammon, N. J., as the man who shot him, and killed his brother in the attack near Abston, N. J., last Thursday when a dozen masked bandits fired upon the occupants of the Rider automobile. Frank Ledonne was identified by Rider as the only bandit who wore no mask. Quiseppe Russo was partly identified by Rider and his daughter, Mrs. Smathers. The identifications were made in the hospital where Rider, Mrs. Smathers and John Rigby, the fourth victim of the attempted holdup, are recovering from their wounds.

Millie De Marco, the young woman arrested with the other prisoners, was identified as being in the party altho Rider remembered her as formerly being in his employ.

AGE DRIVANA MAN DIES.

Havan, Ill., Oct. 9.—Louis Phillip Weaver, whose five sisters and three brothers all lived to be 90 years old, died here today aged 93. He was the oldest man in Mason county. He was born in France. One sister lived to be 98 years old.

LANSING TO CONFER WITH WILSON TODAY

Will Discuss German Sub- marine Raids Off American Coast

MAY STAY OVERNIGHT

President In Statement Says U. S. Will Make Full Inves- tigation Before Acting

BERNSTORFF MEETS PRES.

LONG BRANCH, N. J., Oct. 9.—Secretary Lansing, it was announced tonight, will come here tomorrow for a conference with President Wilson concerning German submarine raids off the American coast. Mr. Lansing is expected to remain overnight at the president's summer residence.

The announcement that the secretary of state would confer with the president confirmed the impression gained earlier in the day that the American government considered the attacks on vessels on the American coast by a German submarine as fraught with grave possibilities. Concern over the situation centered chiefly about the possibility of what might happen if the submarine attacks are continued.

The position of the American government and its determination to make a full investigation before acting was made clear in the following statement given out by the president:

"The government will of course, first inform itself as to all the facts that there may be no doubt or mistake as far as they are concerned."

"The country may rest assured that the German government will be held to the complete fulfillment of its promises to the government of the United States. I have no right now to question its willingness to fulfill them."

Count von Bernstorff, the German ambassador, who came here today to give the president a personal letter from the German Emperor on Polish Relief, discussed with President Wilson the new activities of the German submarines. It was understood that the president made it clear that while the American government had no intention of interfering with the legitimate activities of submarines, it would insist on the strict observance of the pledges given previously by the German government.

The ambassador while expressing an entire lack of official information from his government on the new submarine attacks said that Germany had promised to conduct her submarine warfare in accordance with the rules of cruiser warfare.

The ambassador remained with the president only fifteen minutes and left smiling. He declared he was as much surprised as anybody when the news of the sinking of the first British ship was seriously considered going to Brooklyn tomorrow to attend the third world series baseball game but decided to remain here and keep in touch with the submarine situation.

Before seeing Secretary Lansing the president will confer with Jules Guisard, the French ambassador, who is coming to Shadow Lawn to bring a personal letter from President Poincaré of France to President Wilson on Polish relief.

During the day the executive officers here were in communication with Secretary Daniels and received preliminary reports assembled by the Navy Department on the submarine activities off the American coast.

The general trend of these reports were in effect that so far as had been determined, the rules of international law had been complied with by Germany. It was made clear, however, that these reports were of a preliminary character and were not conclusive. Secretary Daniels was instructed to keep the president fully informed of all developments.

Count von Bernstorff said he planned to return to Washington tonight or tomorrow going by way of New York. It was stated by officials here that the subject of peace was not mentioned at his conference with the president.

WILL RAISE RESTRICTIONS.

Springfield, Ill., Oct. 9.—Restrictions on the travel and attendance at school of children because of infantile paralysis will be raised Oct. 14, the state board of health announced today except in small sections of Platt, Clark and Cumberland counties. This is due to a rapid decline in the prevalence of the disease. The death from paralysis of June Hill, aged 71, at Streator, was reported to the board today.

C'me on Increase

The disconcerting report was presented yesterday at the congress of the American prison reform association in Buffalo that crime is increasing in this country. The principal reason for the increase, in the view of many, is the European war. As the conflict has raged and grown fiercer with passing days and months the average citizen has become so hardened that he thinks little about blood shed, or at least his heart is not stirred to the depths by the stories of the carnage.

If this fact be true of men and women with normal minds, the experts say with good reason that it is still less surprising that those who are sub-normal or who are less alive to higher sensibilities become more hardened and their acts add to the sum total of crime.

Illinois Farm Mortgage Record

Illinois along with other good records has a favorable showing with reference to farm mortgages. A recent investigation has disclosed the fact that the number of mortgaged farms in Illinois is less than in six other large states in the central west. These states are Indiana, Iowa, Minnesota, Missouri and Wisconsin. The Illinois record as to crop values is one also to which the citizens may well "point with pride." Of the entire crop total of 5,487,161,233 in this entire nation, Illinois produces 372,270,470. Iowa is next in the list. The average valuation of farms the country over is \$6,444 while in Illinois the figures are \$15,505.

FALL DAYS.

Oh, the frost is on the pumpkin Mary Jane; and the farmer hauls the fodder in his wain; and the ancient claybank mare has her winter coat of hair, and the cows are bawling sadly in the rain. In the morning there's a nipping eager breeze, and the edges of the brook begin to freeze; all the summer bloom is dead, and the pretty birds are sped, and I have rheumatic twinges in my knees. You have heard me in the summer, Mary Jane, you have heard me raise the dickens and complain, wishing for some winter sleet, telling how the sizzling heat filled my person with a punk, unpleasant pain. And already, with a sad and longing sigh, I am thinking of the beauties of July, and I swear by August, too; then the skies are bright and blue, and a man can sit it comfort then and fry. I'm opposed to Father Winter and his storm; I endorse the kind of climate that is warm; when the nights are white with frost they increase our living's cost, and it's time the weather bureau knew reform.

ested in the statement made by W. F. Richardson, president of the general convention of the Churches of Christ at the annual meeting in Des Moines. He declared that division, wastefulness and inefficiency today constitute the reproach of the church, and it was his expressed hope that the convention might in some measure remedy this "unfortunate condition."

It is for the very purpose of bringing about the unity of action and putting an end to at least some of the wastefulness and inefficiency of church management that the every member canvasses have been planned. It is too early to tell how effective in results the plan will be. To quote again from Mr. Richardson: "If this country is to meet the conditions that 'the melting pot of the nations' signifies, there must be more fire under the pot to melt the hyphens and the foreigners and give them a thorough understanding of the word 'American.'"

The Mothers' Pension.

The following has been sent to the press by the Illinois Congress of Mothers and the Parent-Teacher association:

This is the age of prevention. We endeavor to prevent crime, to prevent poverty. The Mothers' Pension is given primarily to prevent pinching, grinding poverty which saps the moral and physical strength of the child, and to enable the mother to care for her own children. Physicians know that a child in an institution, however well managed, does not develop as normally as a child under the care of its own mother. We need good citizens, good men and women! We must start the children right if we want the best results. Let us give the mothers and children a fair chance. Push the Mothers' Pension. Become intelligent along this line.

Hughes' Vision of America

"I have a great vision, my fellow citizen of America for the future.

"It is not an America torn by disorders, it is not an America ruled now by this force, now by that force; it is not an America given over to civil war; it is not an America where public office is merely ruled for advantage; it is an America efficient, it is an America prepared, it is an America maintaining the rights of American peoples on the land and sea without fear or favor throughout the world. It is an America that has no secret understandings, no covert intrigues, it is an America with no unstated purpose, it is an America standing four-square toward all nations firm and prepared, intent on peace and demanding its just rights be recognized as to lives, property and commerce.

"The America that I see in the future is an America that knows how to manage its great activities without being wasteful and extravagant. It is an America that knows how to spend public moneys honestly as well as to appropriate them. It is an America that has patriotism in every bureau of the administration as well as in any appropriation for military operations. It is an America where all the people abandon class antagonisms the having their necessary differences which they peacefully adjust. It is an America which, having no class antagonisms, feels knit together in a splendid national unity, in one great love of country, with one unswerving loyalty transcending all differences of race and creed, with a people inspired by the ideals of Washington and Lincoln. It is an America first and an America efficient.

Institutions exclusively for women and managed by women is the new program of the women voters of Kansas. The women, who plan to poll 200,000 votes in November, already have formulated their plans and by the time the legislature meets they will have their organizations completed and ready for work. The women want a board of women managers to handle their three institutions, two exclusively for women and one for orphan boys at Beloit. The women propose to make this institution into a general correctional institution for all women of the state, segregating the girls and the other women and the really criminal class of both from the incorrigibles. There has been a great of dissatisfaction with the home for orphan children maintained by the state at Atchison, which has been handled exclusively by men. The women of the Good Government Club, an organization active for special legislation for women, feel that the orphans and the girls and women arrested for criminal offenses or for being incorrigibles need the particular care of women. It is planned to make the Beloit institution a big industrial farm for women and girls having fallen into the clutches of the law, and who might be guided by the wise counsel of women able to understand them, once more upon the path of work, prosperity and rectitude. A considerable number of men voters are backing the women in the fight.

FINAL SERVICE HELD FOR MRS. SANDERS

Funeral at the Home Attended by Large Company—Burial With Simple Rites at Diamond Grove Cemetery.

It was a large company of long time friends that gathered Monday afternoon for the funeral services in memory of Mrs. Cornelia Sanders. There were flowers in profusion and in that old home they came as especially fitting tokens of sympathy, for Mrs. Sanders' great love of flowers was a ruling passion, known to her friends and shown in her ever-blooming gardens.

The services throughout were of a simplicity and a dignity well in accord with the surroundings. Rev. E. B. Landis, pastor of Westminster church, which had held so large a place in Mrs. Sanders' interest thru many years, read passages of scriptures. Dr. R. O. Post of the Congregational church paid a brief tribute to Mrs. Sanders and in choice sentences outlined the character and the life. Dr. Frederick S. Hayden offered prayer. Hymns were sung by Mrs. William Barr Brown, Jr., Mrs. A. Wehl, Messrs. William Day and John Capps Irwin.

The cortege moved from the home to Diamond Grove cemetery where the simple committal service was said. The flowers were cared for by Mrs. Thomas Worthington, Mrs. Charles A. Barnes, Misses Effie Epler, Mary Upham and Grace Carter. The honorary bearers were Colonel D. C. Smith of Normal, Dr. T. J. Pitner, Judge Edward P. Kirby, Messrs. Ensley Moore, J. P. Lippincott, John A. Ayers, Thomas Worthington, and S. O. Barr. The bearers were Frank R. Elliott and William S. Elliott of Chicago, C. E. Sanders and F. B. Sanders of Cleveland, Ohio, Walter Ayers, Miller Weir and J. Weir Elliott of Jacksonville. Among those here because of the funeral were Judge William B. Sanders, C. E. Sanders and F. B. Sanders of Cleveland Ohio; Mr. and Mrs. Frank R. Elliott and Mr. and Mrs. W. S. Elliott of Chicago.

Dr. Post's Tribute

Dr. Post's tribute to Mrs. Sanders was as follows:

It is a labor of love to speak the simple word of appreciation, for I speak of one who, by her love, has made life very, very rich, as she passed along scattering sunshine in the shadow, sowing seeds of kindness by the wayside, discovering gardens of goodness in human breasts, while singing in her heart: "God's in His heaven—All's right with the world."

Truly, her ways were ways of pleasantness, and all her paths were peace: And we, following after, become aware, thru the lingering fragrance, that a rare sweet soul has just gone that way.

On coming to our city, fourteen years ago, I was deeply impressed by the fine type of elderly lady then living here. The "lady of the old school"—of texture exquisite, of touch dainty, of address gracious; consecrate in service, strong in sympathy, sweet in humility, yet wholly regal thru it all. The lady of the Old School! God bless her, and preserve her unmarried thru generations to come, to the glory of His name and the exaltation of our race.

Some six I marked (and there were more I knew not) before whom you felt the presence of that rare charm—pervasive of all womanly grace. One by one they have passed on, leaving perpetual benison behind, till now one alone tarries awaiting her Master's voice.

Our city has fair name thru the life labors of men who have wrought worthily for church and state, for school and charity; but fairer far thru the refined ministrations of these rare women, who gave charm to society, the helping hand to the helpless, sympathy to the sorrowing, service to her Christ and all of love's utter womanliness to her home. Among these—and leading the list—we today engrave the name Cornelia Sanders.

We could do no otherwise, for she was lady of high degree, quality was her distinction; gentility was her garb, simplicity her manner, grace her speech and love her life. An elect lady to whom John might have penned his epistle, a member of God's true aristocracy. So here we gather as courtiers to her memory, counting it high honor to pay our poor but loving tribute. The very place is a shrine, redolent with the holy life as diffused incense everywhere about—among the trees, over the green slopes, down in the garden below, and here in the old-time house with its old-age flavor—all suffused with her sweet presence.

Jonathan Edwards, in that dearest love-letter ever written, refers to Sarah Pierpont as the "Maiden loved of God." So, as to our minds in review down these four-score and more years Cornelia Sanders passes, we may write "There goes the lady loved of God."

One of our younger poets, who had lived with his mother in chosen sanctuary thru many years, on her death embalmed her name in lines which you—the daughter and you the sons, and we, the friends would make our own:

As in a rose-jar filled with petals sweet,

Blown long ago in some old garden place,

Mayhap, where you and I, a little space
Drank deep of love and knew that love was fleet—
Or leaves once gathered from a lost retreat
By one who never will again retrace
Her silent footsteps—one whose gentle face
Was fairer than the roses at her feet!
So, deep within the vase of memory
I keep my dust of roses fresh and dear
As in the days before I knew the smart
Of time and death. Nor aught can take from me
The haunting fragrance that still lingers here—
As in a rose-jar, so within my heart!

At the Chapel exercises of Illinois college Monday morning Dean F. S. Hayden referred in fitting terms to the strength and beauty of Mrs. Sanders life and told of her interest in the college thru many years. After the chapel exercises the Students association met and appointed special representatives to attend the funeral. Miss Miriam Russel and Robert Capps.

MORTUARY

Hering.

Mrs. Mary Frances Hering, wife of Henry Hering died at Our Savior's hospital Monday afternoon at 5:20 o'clock after an illness of several weeks. Tho her health had been failing for two years it was not until the last few weeks that her condition became serious.

Mary Frances Mahacek was born in New York City August 11, 1871. She was united in marriage to Henry Hering in Bainbridge, Ga., October 3, 1892. Two years afterward, April 1, 1894, they came to Jacksonville which has since been her home.

She is survived by her husband and ten children, John, H., Anna Theresa, Edward, Frank, Louis, Mary Catherine, Carrie Elizabeth, Phillip, Vincent, and Charlotte Bernadine, all of this city. Three children preceded her in death, Helen Frances, who died in 1899, Charles who died in 1904, and Joseph who died in infancy. Three brothers, Stephen Mahacek of Astoria, Long Island, John Mahacek of Dutchkill, Long Island and Emil, of Williamsburg, N. Y., and one sister, Mrs. Anna Miller of Astoria, Long Island survive.

Mrs. Hering was a member of the Catholic church. She was devoted to her home and was never so happy as when doing something that would bring happiness to those she loved.

The remains were removed to the undertaking parlors of John G. Reynolds and prepared for burial. The time of the funeral will be announced later.

TO HELP WOMEN.

After terrible sufferings, numberless women have used Lydia E. Pinkham's Vegetable Compound and recovered from ailments peculiar to their sex. Many of these, who cannot bear that other women should suffer as they did without knowing what to do, have written letters telling their experience to be published to the world. These honest, helpful stories are constantly appearing in the newspapers. Read them, ailing women, they are written with no motive but your good.—Adv.

The only man present was John Wood of Waverly, a member of the family group who altho eighty three years of age is still wonderfully well preserved.

Mr. and Mrs. Magill of Arnold Entertained

Sunday thirty friends and relatives from in and near Woodson journeyed to the home of Mr. and Mrs. Lloyd Magill, near Arnold, bringing well filled baskets.

At noon a bountiful five course dinner was served. The afternoon was spent in music and a social time and at evening a buffet supper was served. The following were present: Isaac Watson, Mr. and Mrs. R. C. Megginson and family, Mr. and Mrs. Geo. Theis and children, Mr. and Mrs. James Hiteh, Mr. and Mrs. C. E. Reynolds and family, Mr. and Mrs. L. R. Watson and daughter, Mr. and Mrs. C. W. Watson, and Cleo Hart of near Woodson, Mrs. C. H. Magill and mother of near Arnold.

Mrs. E. A. Litter Entertains Friends Sunday.

Last Sunday Mrs. E. A. Litter entertained at her home on East State street a number of friends from Litterberry, her former home. A fine dinner was much enjoyed by the guests and the day was delightfully spent by all present. Those invited were Mr. and Mrs. J. M. Daniels and son Harold; Mr. and Mrs. W. W. Daniels and daughter, Freda May; Mr. and Mrs. Charles McDonald, Mr. and Mrs. T. M. Crum and daughter Helen F. and Miss Annabel Crum.

ADD SOCIAL Kresge Club.

The regular meeting of the Kresge Club was held at the home of Miss Cecil White of 760 South Church Street. After the business meeting the rest of the evening was devoted to games and music. Prizes were won by Misses Josephine Steinmetz, Edith Sibert, Leta Stillwell and Mrs. Edman. Dainty refreshments were served during the evening. Those present besides the members of the club were Mr. and Mrs. E. A. Hearn and little daughter, Frances, Mr. and Mrs. George Edman, Mr. Paul Joaquin and Miss Irene Smith. They all departed at a late hour wishing the hostess many happy returns of the evening.

Hay Ride to Dunlap Springs.

Misses Helen Snyder and Thelma Wilkinson invited a number of friends recently to enjoy a hay ride to Dunlap Springs. The whole affair was a delightful success and every one on the wagon enjoyed the occasion fully. Wellers and marshmallows were roasted, other good things enjoyed and a fine time generally marked the occasion. The young people were chaperoned by Mr. and Mrs. Ralph Wilkinson and Mr. and Mrs. Jack Snyder. Those

MISS IDA MARSH DIES AT MIDNIGHT MONDAY

Death Came After Illness of Three Weeks, of Typhoid Fever—Miss Marsh Was Woman's College Graduate and Active in Church Work.

Miss Ida Marsh, 1512 Mound avenue, passed away at Passavant hospital at midnight Monday. She was stricken with typhoid fever about three weeks ago and was taken to the hospital for treatment soon after the illness began. Tho for several days the disease was at critical stage, announcement that the end had come will come to friends of Miss Marsh with some little surprise. She made a brave fight against death and kept up courage well and it was earnestly hoped that a constitution seemingly strong would bear her thru.

Surviving Miss Marsh are a sister, Miss Alice Marsh, and the mother, Mrs. Maria E. Marsh. Her father, George W. Marsh, passed away several years since.

Miss Marsh is a graduate of Illinois Woman's college, finishing her course with the class of 1897. She has since made her home in Jacksonville and her circle of acquaintance was a large one. She was a faithful member of Grace M. E. church and in all church activity her work was untiring and devoted.

Announcement of the funeral will be made at a later time. The body was taken to the undertaking parlors of Williamson & Cody where preparation for burial was made.

Ladies are pleased with the styles, qualities and prices of Furs shown by Frank Byrns Hat Store.

FUNERALS**Charlesworth.**

Funeral services for Mrs. Mary Charlesworth were held at the family homestead two and one half miles southeast of Aremville Sunday afternoon at 2 o'clock, in charge of the Rev. Thomas J. Symonds, pastor of the Methodist church at Bluff Springs. A quartet composed of Miss Amelia Cava, Mrs. Edward Shrewsbury, W. B. Woods and Arthur Weaver furnished music. Mrs. Eugene Peck and Miss Etta Kircher cared for the flowers. Burial was made in the cemetery at Union Chapel. The bearers were Howard Fozzard, William Charlesworth, Edward Charlesworth, Dale Streator, Harvey Harper and John Broeker.

A number from Jacksonville were present to attend the services. Among them were H. H. Vasconcellos, Mr. and Mrs. Richard Driver, Mrs. George Wintler, Mrs. Hannah Vasconcellos, Mr. and Mrs. Carl York and Mrs. J. W. York.

CHAPIN FARMERS' INSTITUTE BEGINS TODAY

The Chapin farmers' institute will begin a two days' session in the opera house there this afternoon at 1 o'clock. The welcome address will be by Dr. J. H. Fountain and the high school chorus will sing "The Farmer Boy." The first speaker of the afternoon will be L. D. Sears of Arthur, Ill., and after a recitation by Mildred Mittendorf, R. H. Piepmeyer of the state highway commission will give a talk on good roads. This evening at 7:30 the program will open with a number by the young men's chorus and a recitation will follow by Miss Addie Fox. Then after a male quartet number, Mrs. J. M. Daniels of Greenville will speak on household science. A quartet consisting of Misses Fox and Daniels and Messrs. Allen and Onken will sing, after which the last address for the day will be given by Rev. E. B. Landis of this city, with "Rural America" as his theme.

HANG OUT THE FLAGS

It has been suggested that merchants of the city, to make the week more festive, hang out flags and otherwise decorate the business houses. The idea is an excellent one and a number should act upon the suggestion.

IN COUNTY COURT.

In the county court Monday Benjamin Allen was arraigned on the charge of wife abandonment and was ordered to pay \$2 a week to his wife.

FORESTERS COURT IS INSTITUTED

Chosen at Meeting Held Sunday—Twenty-Five Charter Members

There are twenty five charter members of Columbus Court No. 1808 of the Catholic Order of Foresters instituted in Jacksonville Sunday. George M. Steinmiller of Chicago, assisted by W. P. Saner of Springfield, and a degree team made up of visiting brethren, conducted the initiatory ceremonies at M. W. A. hall on the south side of the square. For the present the court will use the M. W. A. hall on the first and third Thursday evenings each month and later on a permanent home will be secured, a committee having been appointed to make arrangements. The degree team which conferred the work included John Hanly of Springfield, manager; William T. White, Auburn, chief ranger; William J. Cummings, Springfield, vice chief ranger; B. J. Lavin, Springfield, past chief ranger; Frank J. Young, Springfield, senior conductor; James B. Gilmore, Springfield, junior conductor. The officers elected were as follows:

Chief ranger—M. D. Heffernan.
Vice chief ranger—Hugh M. McGuire.
Past chief ranger—D. Scott Sweeney.
Speaker—Walter J. Quinlan.
Recording secretary—Francis C. J. Saner.
Financial secretary—James T. Flynn.

Treasurer—Philip A. Heneghan.
Trustees—For three years, Louis A. Steer; for two years, William Craddock; for one year, Patrick Francis Doolin.

Senior conductor—Louis A. Steer.
Junior conductor—Daniel Doolin.
Inside sentinel—Joseph Harold Coverly.

Outside sentinel—John Dollear.

Among visitors here for the ceremonies in addition to those already named were as follows: Edward Ready, chief ranger St. Mary's court, Springfield; Henry Hashman, chief ranger St. Joseph's court, Springfield; W. P. Saner, Springfield; J. W. Sullivan, past chief ranger St. Mary's court, New Berlin; John D. McGinnis, chief ranger, New Berlin; William D. Jabsen, August Kumble, Joseph Kumble, William Kress, William Ragen, John F. Corrigan and William Fromme all of New Berlin; William P. Holman, chief ranger St. Francis court No. 1594, Alexander; Mike Wiegand, Jr., Alexander; and Father Michael Mul-lane, pastor of St. Michael, Hardin county, Ill., who drove thru to Jacksonville by auto with Peter N. Roth, William Mieke, Patrick Clynes and Joseph M. Klunk of Michael.

AUTO DRIVER NOT DISCOURTEOUS

Mention was made recently of an automobile accident which happened near the east end of the state aid road. It was mentioned that the young man in the car which was not damaged drove hastily away. The fact is that the driver was Mr. Cockin of Alexander and he took the occupants of the other car back to the city and extended every possible courtesy. It is understood further that neither driver saw the other car coming and as the car coming from the south rounded the corner just about the moment the other car was passing a collision was inevitable.

MARRIED IN CHICAGO

The marriage of Miss Katherine O'Brien to Dr. James McLellan Shaffer occurred in Chicago Saturday. The bride who formerly lived in Jacksonville is the daughter of Mrs. Anna O'Brien of 1035 East 47th street, Chicago. For several years past she has been a foreign buyer for Marshall Field & Co.'s retail store. Dr. Shaffer stands well in medical circles in Chicago.

HAVE NARROW ESCAPE.

Logan Black and family are congratulating themselves on a narrow escape from serious injury. Mr. Black motored to Virginia Sunday accompanied also by William Turley and late in the afternoon overturned his car while climbing a hill, made muddy by a shower which had fallen just before. One wheel of the car was badly damaged and Mr. Black and family returned by rail, men from the O'Donnell garage going after the car Monday forenoon.

CHILD STRUCK BY AUTO

Thelma Endsley, 8 year old daughter of Mr. and Mrs. A. R. Endsley, 207 East College avenue, was struck by an auto Monday noon on East College street near Salem Lutheran church. The car was a Ford, driven by N. L. Harris, salesman for the Acme Cracker Co. The little girl was injured about the face, a tooth was knocked out and a foot, ran over by a wheel of the car, was bruised. Drs. Duncan and Reid were called.

COLLEGE BOYS IN SPECIAL ACT

A feature of the performance Monday evening at the Grand Opera house was a special put on by Illinois College Freshmen, in the language of one, "sentenced to do penance by the Dormitory Court" at a recent session. The boys were Edward Tomlinson, John K. Furry, Ralph Woodley, William Floreth, Uriel Goveia, Dallas Hagen and James Barnes. George W. Barrette served as announcer and stage manager.

FALL FESTIVAL MAKES GOOD BEGINNING

HORSE SHOW ATTRACTS GREATEST INTEREST ON OPENING DAY

Vaudeville Attractions and Special Exhibits Please Public—Prohibition Presidential Party Comes Today—More Events for the Show Ring—Special Concert Program Tonight

The Fall Festival was duly launched Monday afternoon and the weather was cold and unpromising there was an excellent attendance during the day. The Jeffries Concert band furnished a splendid program of music. The park has the appearance of a real county fair for the show horses, cows, hogs and chickens are all there.

It was an excellent idea to have the horses shown in the park for there the fine animals were easily in view of every one, and arrangements were such that no damage at all was done to the park. The horse show with a parade of all stock exhibited, was really the feature of the afternoon. The public was impressed with the fire drill which had been planned by the fire department in accordance with Governor Dunne's proclamation. It had been arranged to have a fire on top of a clock and when the alarm was sounded the hose cart, hook and ladder wagon and engine which had been located a quarter of a mile away, dashed to the scene. All the maneuvers of scaling the building and turning on the water were carried out.

The several vaudeville attractions, the flying Howards and George O'Dore with his unsupported ladder performance were greatly appreciated both afternoon and evening. The ferris wheel and the jumping horse carousel furnished a lot of fun, especially for the children. The horse shoe contest promises to be an interesting feature. The grounds are at the east curb in the south-east quarter of the park with Charles DeSilva in charge. The entries already made are Messrs. Spoonstons and Vasconcellos; Moss and Ortlepp; DeFrates and Taylor; DeSilva and Fensler; Miksell and Jeffries; James and Wiseman; Wilding and Johnson. At the end of the week the teams with the best and next best records will play for the championship of the world.

Horse Show Officials

While the entries in the horse show were not as numerous as the liberal prize offerings would have justified, some splendid animals were shown and gave excellent idea of the high class of livestock that Morgan County produces. The officials were as follows: Jed Cox, starter and announcer; R. A. Gates, clerk; J. H. Swindell, ribbons; James Wallace, gateman. There were a number of volunteers from various communities who assisted in various ways with the exhibit. The awards were as follows:

A Perfect Dependable, Economical, Wood Coal and Gas Range

The Three-in-one Majestic

The combination coal, wood and gas Range without too much mechanism; no levers to turn or twist—to get out of whack or be mis-handled.

It is the simplicity of the Majestic Combination that has made it so popular. Not a thing to change in your oven—just turn on the gas. Can be attached to your own Majestic and heat your reservoir (if its on the back end of your range.)

\$7.50

This gas attachment on a new Range is \$7.50. On an old Range \$7.50 plus the time of attaching.

Renowned Gas Saver Burner

Mixes 40 to 50 volumes of air with one volume of Gas.

REMEMBER—only three gas burners used to heat the entire top, oven and reservoir, and they burn less gas than the top burners only of an ordinary gas Range. The same burners that heat the top heat the oven and reservoir.

SCARLET FEVER SCARE THING OF THE PAST

Is Report Made to City Council—
Sidewalk Ordinances Read—Officers Reports.

Public health matters were the principal affairs of interest presented at the meeting of the city council Monday. Commissioner Martin stated that the scarlet fever scare in the second ward was practically at an end as no new cases had developed for a number of days past. He said that affairs had been well managed by the health warden and the public health nurse. Commissioner Cox reported that in a number of instances where there are cases of typhoid fever that property owners had believed the sickness resulted from bad condition of the sewers and that in these instances his department had flushed the sewers suspected. However in each instance it was found that the sewers were not clogged and refuse was moving thru them in proper way. Mr. Vasconcellos reported that the pump in well No. 5 at the north side station became disconnected during Sunday night but that the work of repairs would not be extensive.

Sidewalk Ordinances
Sidewalk ordinances were given a second reading for West College street, South Sandy street, Lorton street and North Diamond street and in each case were unanimously adopted. James Ball, who had secured a permit from the city clerk to move a house along West College avenue and was present and declared that the Jacksonville Railway & Light company would not permit him to cross the track unless he paid a fee for movement of any building and charge to the contractor the cost occasioned by the work of holding up the wires. The council could not take any special action in this matter.

Before the session began Robert Coultas, county commissioner, and James F. Self appeared before the council to ask permission to build a temporary voting booth in one precinct. The suggestion was made that it would probably be better to erect a permanent booth but permission was given for the temporary structure if the county board decided this course was the better. It seems that on account of the women vote in the coming election that it has been necessary for the county board to secure additional booths.

Officers' Reports
Under officers' reports that of Chief of Police Davis was filed for

the month of September, showing a total number of twenty-three arrests, city cases 14, state cases 9, and the amount of fines collected \$139.69. The cases were divided as follows: assault and battery 2, drunkenness 8, disorderly conduct 9, assault to kill 2, violating local option territory 1, peace warrant 1, vagrancy 3, W. T. Dyer, justice of the peace, reported \$83 in fines collected, city costs \$23.89, justice of the peace costs \$34.80, total \$139.69.

WATER RENT COLLECTIONS RECORD IS BROKEN

Total Receipts From Water Department Last Month Were \$3,812.02—Largest Sum City Has Received.

The report of the city water department, signed by W. H. Cobb, superintendent and Joshua Vasconcellos as commissioner of public property, for the month of September shows the largest receipts for any month in the history of the city. The total amount collected for that period was \$3,812.02. Of this sum the actual amount paid in water rents was \$3,626.52. The next largest item was \$128 from meters sold and the remaining \$57.59 was accounted for by taps, flushing sewers and the sale of a small amount of junk. In the largest part, which was last January, there was a large item of \$500 or \$600 for a back bill. This month's collections, which are the largest recorded, include nothing but general business collections and the large total indicates that those in charge of the department are paying strict attention to business and succeeding in a satisfactory way in increasing the efficiency of the department.

Rev. W. E. Spoonts returned yesterday from Beardstown where he has been conducting revival services for two weeks with excellent results. He was wanted longer but was obliged to leave in order to preach the sermon at the funeral of a long time and highly esteemed friend, E. G. Shafer of California. The remains were brought to El Paso, Ill., where Mr. Spoonts went last evening.

Mr. and Mrs. John Wilson of Durbin visited the city yesterday.

LOWDEN COMING FOR THURSDAY MEETING

All Republican State Candidates to be Here for Speaking Program—Former Senator Mason Will Come in Advance of Party and Make Opening Address.

Further announcement was made yesterday of the coming of Republican state candidates next Thursday night. Although Wednesday has been designated as Republican day, during the Festival, and Congressman Foss is to be here in the afternoon, Chairman Graft of the county central committee has arranged a special meeting for Thursday night, because of the coming of the state candidates.

Mrs. Harriet Howard, the state organizer of the Woman's Hughes league for the twentieth district, is already in Jacksonville and will make an address Thursday night in Armory hall. Another speaker will be former Senator William E. Mason, now a candidate for election as congressman at large. The special train with the state candidates will arrive at 8:50 and Colonel Lowden and his associates will be taken at once to Armory hall for the speech making program.

NOW FOR THE CAMPAIGN
Frank O. Lowden and all other state Republican candidates will be here Thursday night, October 12th and make addresses. Make this a big Republican meeting.

MRS. L. D. LANING KILLED SELF AT PETERSBURG

Left Note to Family Saying That Despondency Caused Act

Petersburg, Oct. 9.—Mrs. Jessie Laning, wife of Levin D. Laning, cashier of the First National Bank here, shot herself Sunday afternoon with a revolver. She had gone to her room at about four o'clock and when her husband returned home some time later he found the body of his wife lying on the bed clad in a gown of white satin. She had addressed a note to her parents, explaining that despondency led to the act.

Mrs. Laning is survived by her husband, two children, seven and nine years old; her parents, Mr. and Mrs. O. W. Butts of Kansas City, and a sister who resides in Chicago.

ILLUSTRATED LECTURE AT WESTMINSTER CHURCH

At Westminster church Sunday night Rev. E. B. Landis gave the first of a series of illustrated Sunday evening lectures. His theme Sunday night, with a large audience present, was "Our Country in Pictures." As the minister told in a very interesting way of the large efforts put forward by the Presbyterian church in missionary work and the still larger needs, pictures were shown on the screen by Prof. W. A. Taylor with a stereopticon. The lecture began with Alaska and ended with Porto Rico. One of these lectures is to be given each month during the winter.

JNO. CLAYWELL FUNERAL AT WINCHESTER MONDAY

Death Saturday Evening Followed Long Illness—Funeral of Mrs. Young—Two Winchester Marriages.

Winchester, Ill., Oct. 9.—Funeral services for John F. Claywell were held this afternoon at 2 o'clock at the Christian church, with the pastor, Rev. G. E. Prewitt, in charge. Mr. Claywell passed away Saturday evening at 10 o'clock after a long illness.

Music for the services was furnished by Mrs. Gertrude Demmereth, Mrs. Ada Lankford, E. N. Gillham, and George Hieronymus. Burial was made in Winchester cemetery. The bearers were John Norman, Thomas O'Donnell, Charles Claywell, Dole, Ray and Earl Claywell.

Funeral of Mrs. Young

The funeral of Mrs. Emily Young was held at the family home Sunday afternoon at 2 o'clock, with Elder George M. Murray in charge of the services. There was a large attendance of friends and the services throughout were most impressive. The singers were Mrs. Wackerle, Miss Lola Coates, Fred Leitz, H. C. McMullen and Mr. McIntosh. The flowers were cared for by Mrs. Arley Shaw, Mrs. Emma McLaughlin and Miss Bessie McLaughlin. Burial was made in the Young cemetery.

Two Quiet Marriages

The friends of Miss Lucille Sibert will be surprised to learn of her marriage to Otis L. Waller of Hannibal, Mo., which occurred at 10 o'clock Sunday morning at the morning at the home of the bride's parents, Mr. and Mrs. Charles Sibert, Rev. C. W. Caseley performing the ceremony, and only the immediate family being present. Miss Sibert is the second daughter of Mr. and Mrs. Sibert and has many friends who wish her many years of happiness. Mr. Waller had a position here last summer as an auto machinist.

The young people left for Riggs-ton in a car and took the 12 o'clock train there for their new home in Dubuque, Iowa. Their many friends extend congratulations.

A second surprise marriage was that of Miss Ruth Markkille and Carl Campbell of Browning, Ill. Miss Markkille left early Friday morning for St. Louis, accompanied by Miss Alice Mudd. Friends of Miss Markkille were much surprised when the word came that a marriage license had been issued in St. Louis. Miss Markkille has recently been teaching near Manchester and it is probable that she will continue for a time in that position. Mr. Campbell is an electrician. He was at work in Winchester for a short time recently.

Personal Mention
Mr. and Mrs. Jack Lyons are here for a visit with Mr. Lyons' mother and his brother, T. D. Lyons.

Gay Lowenstein of White Hall was here Sunday for a visit with P. D. Smith and family.

Misses Vivian and Margaret Bregle arrived Sunday from a visit in Springfield and left again this morning for a St. Louis visit.

Mrs. William Neat was a passenger for St. Louis this morning.

Giles Reeder has purchased the residence property of T. C. Hill. Boone Martin, Frank Clark, John Thompson and W. H. Roosa left Sunday morning for an auto trip. Their immediate destination was Decatur and they expected to tour eastern Illinois and Indiana.

Extraordinary purchase of 50 suits just received in all colors and fabrics, specially low priced at Herman's during festival week.

WILL SHOW "DICK" YATES

As part of the exhibit of fine horses today Cupid Mosely will show "Dick Yates," his well known combination high school gaited and saddle black stallion. He has owned this horse for thirteen years and has carried off many blue ribbons with the animal. There is no special class for this entry today but the arrangements were made for the exhibition of Dick Yates because it was thought that this horse would add quite materially to the interest of the show ring.

REPORT SHOWS FURTHER DECREASE IN CROPS

Wheat Crops Drops 3,500,000 Bushels

Preliminary Estimates Places Crop At 404,000,000 Bushels Under Last Year's Record Breaking Yield—Corn Prospects Increase.

Washington, Oct. 9.—Further decrease in production prospects of the country's principal farm crops excepting corn, flax, rice and kafirs was indicated in the department of agriculture's monthly report.

A preliminary estimate places the wheat crop at 404,000,000 bushels, a drop of 3,500,000 bushels from the amount forecast from Sept. 1st conditions and 404,000,000 bushels under last year's record breaking crop.

Corn production prospects increased 8,400,000 bushels as a result of favorable weather conditions during September and a total crop of 2,717,932,000 bushels is forecast, that is more than 300,000,000 less than harvested last year.

The white potato crop is the smallest since 1911. Today's forecast of production is 300,563,000 bushels, a decrease of 17,929,000 bushels from the estimate made a month ago, and 59,000,000 bushels below last year's crop.

Decreases in production prospects from last month's indications include:

Oats 1,860,000 bushels; barley 905,000 bushels; buckwheat, 1,846,000 bushels; sweet potatoes, 1,535,000 bushels; pears, 99,000 bushels; apples, 1,610,000 bushels; and sugar beets, 148,000 tons.

With the price of flour higher than it has been in many years, interest in the government October crop report, issued today, centered in the forecast of this year's wheat production which is the smallest since 1904. The crop of winter wheat is 200,000,000 bushels smaller than last year and the production of spring wheat probably will be lower by more than that quantity and the smallest crop in the last twenty-one years. With a carry-over of approximately 14,000,000 bushels from last year's record-breaking crop of 1,011,505,000 bushels, agriculture department officials believed this year's short crop would be sufficient to meet domestic requirements and leave about 100,000,000 bushels available for export to help supply the heavy demands of the warring European nations. A significant feature of the grain trade this year is the importation of wheat from Argentina, a cargo of which is now on its way to this country.

Other cereal crops also suffered from the adverse conditions of the past summer and smaller production has resulted in most crops. White potatoes particularly will be short, the crop this year being the smallest in the last five years. Tobacco, hay and rice, however, promise record crops this year.

The government's forecasts of productions of the principal crops, based on a canvass made October 1 by its agents and correspondents throughout the country, together with forecasts made from the September 1 canvass and statistics of last year's production, (in thousands of bushels):

Winter wheat—Oct. 1 indications, 454,706; Sept. 1 forecast, 454,706; 1915 crop final estimate, 655,043.

Spring wheat—Oct. 1 indications, 152,551; Sept. 1 forecast, 156,351; 1915 crop final estimate, 356,460.

All wheat—Oct. 1 indications, 607,257; Sept. 1 forecast, 611,057; 1915 crop final estimate, 1,011,505.

Corn—Oct. 1 indications, 2,717,932; Sept. 1 forecast, 2,709,532; 1915 crop final estimate, 3,054,535.

Oats—Sept. 1 forecast, 1,231,042; 1915 crop final estimate, 1,540,362.

Barley—Oct. 1 indications, 183,536; Sept. 1 forecast, 184,441; 1915 crop final estimate, 237,009.

Rye—Oct. 1 indications, 41,884; Sept. 1 forecast, 41,884; 1915 crop final estimate, 49,190.

Buckwheat—Oct. indications, 13,942; Sept. 1 forecast, 15,783; 1915 crop final estimate, 15,769.

White potatoes—Oct. 1 indications, 300,563; Sept. 1 forecast, 318,492; 1915 crop final estimate, 359,103.

Sweet potatoes—Oct. 1 indications, 67,794; Sept. 1 forecast, 59,329; 1915 crop final estimate, 74,295.

Peaches—Oct. 1 indications, 36,911; Sept. 1 forecast, 36,911; 1915 crop final estimate, 63,460.

Pears—Oct. 1 indications, 10,193; Sept. 1 forecast, 10,292; 1915 crop final estimate, 10,292.

YOU'RE BILLIOUS! LET "CASCARETS" LIVE! LIVER AND BOWELS

Don't Stay Headachy, Constipated, Don't Stay Headachy, Constipated, Stomach Sour.

Get a 10-cent box now.

You men and women who can't get feeling right—who have headache, coated tongue, bad taste and foul breath, dizziness, can't sleep, are bilious, nervous and upset, bothered with a sick, gassy, disordered stomach, or have a bad cold.

Are you keeping your bowels clean with Cascarets, or merely forcing a passage every few days with salts, cathartic pills or castor oil?

Cascarets work while you sleep; cleanse the stomach, remove the sour, undigested, fermenting food and foul gases; take the excess bile from the liver and carry out of the system all the constipated waste matter and poison in the bowels.

A Cascaret tonight will straighten you out by morning—a 10-cent box from any drug store will keep your stomach, sweet, liver and bowels regular, and head clear for months. Don't forget the children. They love Cascarets because they taste good—never gripe or sicken.—Adv.

SEND SERIES REPORT FROM BRAVES FIELD

Associated Press Operator Flashes Progress of Game from Stand Over Eighteen Thousand Miles of Leased Wire.

New York, Oct. 9.—An unprecedented feat in the telegraphic transmission of news was accomplished by the traffic department of The Associated Press today when one operator, sitting in the stand at Braves Field in Boston was enabled to flash over eighteen thousand miles of leased wire the story of how the Boston Americans beat the Brooklyn Nationals in the second game of the world's baseball series.

Taking dictation from The Associated Press representative who were covering the game this operator, J. A. Bates, thru the telegraphic connections arranged for the service, was able to send the story to 300 Associated Press offices and newspapers in the United States, tick for tick into each office simultaneously—as far west as San Francisco, as far north as Duluth, and as far south as New Orleans.

The operator sent the story over this 18,000 mile circuit continuously for two and a half hours and, at the instant McNally crossed the home plate with the winning run in the fourteenth inning, the flash "Boston wins," had gone the length and breadth of the country.

Heretofore in reporting world's series, the news has been relayed at Chicago and other points. The experiment today of making a complete transcontinental connection was reported entirely successful.

Five thousand additional miles of circuit received the story thru relays but this was by reason of news conditions. The 18,000 mile circuit, however, stands as a record in telegraphic history.

IS CHARGED WITH WIFE ABANDONMENT

Deputy Sheriff B. C. Andrews went to Beardstown Monday morning and brought back Ralph Luker who is wanted on the charge of wife abandonment. The warrant was sworn out by his wife on October 2, but Luker was not located until yesterday in Beardstown. The Beardstown authorities were notified and he was arrested and held. Monday afternoon Luker appeared before Justice Dyer and was placed under bond in the sum of \$300, and the time of his hearing set for Thursday, October 12. Failing to give bond he was committed to jail.

Special prices will be made on all Millinery purchases during festival week at Herman's.

Walter Quigley of Murrayville has moved to the city and taken a place in Anderson's blacksmith shop, on corner East Morgan and South East streets.

WILLIAM I. TILTON'S LIFE ENDED MONDAY MORNING

Death Came to Well Known Citizen After Long Illness—Teacher At School for Deaf.

William I. Tilton died at Our Saviour's Hospital Monday morning at 5:25 o'clock, aged 48 years and 13 days. He had been in failing health for a number of years and during the last few months his decline has been rapid.

William Imely Tilton was the son of Peter and Martha Tilton and was born in this city, Sept. 27, 1867. He attended the public schools until thirteen years of age when sickness caused the loss of his hearing. He then entered the State School for the Deaf where he graduated with honors in the class of 1889.

After graduation at the local school he entered Gallaudet College at Washington, D. C., where he graduated in the class of 1893. Immediately after graduation he decided to make teaching his life work and became a member of the faculty at the State School for the Deaf here which he held at the time of his death. He was a popular instructor and not only was an instructor, but a friend to the many boys and girls who graduated from the institution.

Mr. Tilton was widely known as an authority on all kinds of sports. During his student days he won fame as an athlete being a member of the football team at Gallaudet college. He followed all sports closely and was especially well informed on baseball. He furnished many articles on baseball for the press and acted as score keeper during the years Jacksonville was in league baseball.

He also took a great interest in theatrical affairs. He appeared in a number of plays given by pupils of the State School for the Deaf and on one occasion took a company to Chicago where they produced a play at Hull House which was favorably commented upon by the critics of the Chicago papers. It was his delight to converse with one who knew theatrical affairs and his fund of information on actors and actresses both of the old days and the present was wide and varied.

Perhaps the most wonderful thing about "Billy" Tilton was his adeptness at lip reading. He could converse easily with almost anyone whose enunciation was at all clear. In fact he met many people who refused to believe that he was deprived of his hearing so well did he catch their conversation. When he attended a theatrical performance he never lost a sentence so long as the performers were facing the audience.

In 1903 Mr. Tilton was married to Miss Telva Lisle of Peoria, and their very happy married life ended with her death in 1906. He is survived by his parents and one brother, Ernest Tilton of this city. He was a member of Trinity church for many years and was consistent in his religious worship. He also was a member and largely instrumental in establishing the Gallaudet club of this city, an organization of deaf residents of the city. His ambition was to see all deaf mutes succeed and he was always trying to do something to enable them to secure better positions and above all to be self supporting.

The remains were taken to the undertaking parlors of J. G. Reynolds and prepared for burial. Funeral services will be held from Trinity church Wednesday afternoon at 2 o'clock in charge of the Rev. J. F. Langton, with interment in Jacksonville cemetery.

The State school for the Deaf will be closed Wednesday afternoon in memory of Mr. Tilton and to give the faculty and pupils an opportunity to attend the funeral.

REGISTRATION DAY. Voters should remember that there are two registration days, October 17 and 31. Voters should see that their names are on the poll books and thus save a great deal of annoyance on election day. The laws of registration apply just the same to women as to men voters and women who expect to cast their ballots and help in the selection of the next president of the United States should not fail to register.

PENSION FUND FOR THE CLERGY OF THE EPISCOPAL CHURCH

The trustees of the Church Pension Fund will report to the General Convention, which opens at St. Louis October 11, the raising of three million dollars towards the fund of five million for providing an adequate pension for the aged and disabled clergy of the Protestant Episcopal church. It is confidently expected that the whole amount will be contributed by March 1 next when the plan will be put into action.

Under this scheme a minimum pension of six hundred dollars per annum will be paid to clergymen who retire at the age of 65, and similar provision will be made for those who retire earlier by reason of disability. Widows' pensions will be half of the foregoing, with allowances for minor orphans. The five million dollars will constitute a reserve, and the fund will be maintained by an assessment on the parishes based on the annual salary of the clergy. These payments have been calculated on a scientific basis with the assistance of Robert Henderson, Chief Actuary of the Equitable Life Assurance Society and the work will be under the supervision of the Insurance Department of the State of New York.

This is the largest financial campaign ever inaugurated by the Episcopal Church. Its success is unprecedented. Two dioceses have already pledged more than \$500,000 each, and eight others have promised to contribute more than \$30,000 each. Sixty-two of the sixty-eight dioceses in the church have pledged gifts to the fund. Many generous contributions have also been made by individual members of other churches.

The pension plan originated with Bishop William Lawrence of Massachusetts who has been temporarily released from his diocesan duties to act as president of the Commission. Besides Bishop Lawrence the trustees include John Pierpont Morgan, Treasurer; William H. Truesdale, President of the Delaware, Lackawanna & Western R. R.; William Fellows Morgan, President of the Merchants' Association of New York; Charles A. Peabody, President of the Mutual Life Insurance Society; and Samuel Mather, of Cleveland, Ohio.

Fred Roberts of Franklin made a trip to the city yesterday.

He Removed the Danger Signal

Frank W. Sherman, Laconia, N. Y., writes: "I suffered with kidney trouble, had a tired feeling in my back, did not have any ambition and felt all tired out. I used Foley Kidney Pills and in a few days began to feel better, and now I have entirely recovered and have had no return of my painful symptoms."

"One cannot help becoming nervous and feeling tired and worn out when the kidneys fail to filter and throw out of the system the poisonous waste matter that causes kidney troubles and bladder ailments."

"Backache is one of Nature's danger signals that the kidneys are clogged up and inactive. It is often followed by rheumatism, annoying bladder or urinary disorders, puffy swellings under the eyes, swollen ankles and painful joints."

"Foley Kidney Pills get right at the source of trouble. They invigorate the kidneys to healthy action and when the kidneys properly perform their functions the poisonous waste matter is eliminated from the system."

ALL STARS WON GAME
FROM MERCHANTS' TEAM

Took Second of Series Sunday With
Score of 3 to 2—Merchants Came
Near Tying Score in Ninth.

The All Stars evened the series
with the Merchants Sunday by win-
ning the second game of the series
for the city championship by a
score of 3 to 2. The Merchants
threatened to tie the score in the
ninth when H. Woodman counted
the Merchants last run on a three
bagger by Hartman. The latter,
however, was caught at the plate
trying to score on a passed ball. Had
he counted the game would have
been a draw as it was too dark at
that time to play ball.

The All Stars strengthened their
lineup by importing Poston and
Jones from Springfield. The battle
was largely one of pitchers between
Poston and Hartman. Poston yield-
ed five hits in eight innings, the oth-
er Merchant blow being made off
Trumbo in the first inning. Poston
struck out 11 men and walked two.
Hartman allowed five hits, walked
three men and struck out ten.

The All Stars won the game be-
cause they bunched their five hits
in two innings. All of their runs
were earned while neither run scored
by the Merchants was earned.

Some fifty fielding was done. Post-
on fielded his position in great
form while Wheeler, Young and
Trumbo also did some fast work.
For the Merchants Denny played
a phenomenal game at second while
McCollister at first and Clark back
of the bat also did some excellent
fielding.

How the Runs Were Made
The Merchants scored the first
run of the game in the first
inning. Denny first up singled
and went clear to third on McCol-
lister's sacrifice and scored on an
error by Weir.

The All Stars took the lead in the
second inning. Brown singled over
second. Wheeler made a great try
for the ball. He reached it but
could not hold it. Trumbo hit a
high fly to left field which Christo-
pher misjudged and it went for
three bases. Jones hit a long fly
which H. Woodman caught in right
center and Trumbo beat the throw
to the plate.

No more scores were made until
the seventh. In the seventh Brown
first up hit for two bases. He went
to third on Trumbo's single. Trumbo
stole second. Jones hit to Denny
who tossed him out at first and
Brown was doubled at the plate. Mc-
Collister to Clark. Poston walked
and then Johnson came thru with
a single that scored Trumbo.

The Merchants made a bid for the
game in the ninth. Christopher was
out Waffel to C. Wheeler. A. Wood-
man struck out H. Woodman
walked and scored when Hart-
man hit one to the fence in right
center for three bases. Hartman
tried to score on a passed ball but
was out Jones to Poston.

Boston, Mass., Oct. 9.—Breaking
world's series records and tearing
traditions to shreds, the Boston
Americans defeated the Brooklyn
Nationals by a score of 2 to 1 in a
fourteen inning game here this after-
noon. It was the second contest
for the championship and was decid-
ed only after a struggle that sur-
passed in situations any ever evolved
in the fertile mind of a baseball
fiction writer.

For more than two hours the
teams, pennant winners in their re-
spective leagues, battled with almost
superhuman skill and courage thru
a one-run tie. Then, with the stage
set as if for the thrilling climax, a
pinch hitter and a pinch runner won
victory for the Red Sox just as the
twilight threw a gray mantle over
the Braves Field.

Delois Gainer of Elkins, W. Va.,
was the star of stars. It was his sin-
gle in the gathering darkness dur-
ing the final inning that gave at
second base to Michael McNally of
Minooka, Pa., running for for Hob-
litzell, opportunity for the score that
won the second straight victory for
Boston over the champions of the
senior league.

The contest opened with a sensa-
tional circuit smash by Hy Myers in
the initial inning, and not for a mo-
ment afterward did the struggle halt
or lose in interest for the 40,000
odd fans who hung on every play
with intensity equal to that of the
members of the two teams battling
for fame and financial rewards. For
a short space of time, the lone run
scored by Myers appeared to be the
margin that might give Brooklyn
an even break in the series. In the
third inning, however, Scott
tripled to center and scored the tying
run when Cutshaw juggled Ruth's
tap, and had time only to make
the play at first base.

From that time the teams grap-
pled in a baseball battle that rolled
thru eleven periods of play without
the slightest advantage for either
club, while diamond deeds of
amazing daring and skill held the
spectators enthralled. Sizzling hits,
wonderful catches, scintillating
throws and the keenest generalship
succeeded each other with stunning
rapidity.

Thus it came about that with
thick shadows creeping down over
the stands to the fields, the Boston
players made their last stand at the
plate. Sherrod Smith, Brooklyn's
southpaw, who had fought a splen-
did twirling duel against Carrigan's
left-handed star, "Babe" Ruth, fal-
tered for an instant with Hoblitzell
at the bat. He could not locate
the plate in the twilight and passed
the "Hobbs" to Daubert's station. Lew-
is moved his clubmate to second with
an infield sacrifice. Here the Boston
manager sent McNally in to run for
Hoblitzell, and taking Gainer from
the bench to bat for Gardner. Gain-
er set himself for his effort, and
smashed a line drive between short
and third which came to Wheat on
the second bounce. The latter play-
ing in deep left, whipped the ball
toward the plate with every atom of
strength, but McNally had sprinted
with the crack of the bat and ball
and slid home with the winning run
before Catcher Miller could clutch
the flying sphere.

As a result of Gainer's hit the
Boston team left for Brooklyn to-
night with two of the necessary four
victories to their credit and will
renew tomorrow at Ebbets' Field the
struggle for further honors.

Brooklyn in the role of van-
quished garnered almost as much
praise and honor as triumphant Boston
and departed for their home
grounds seemingly with unshaken
confidence. In holding the Carrigan
clan for fourteen innings before ad-
mitting defeat they established a new
record for world's series play, in-
cluding the 3 to 3 thirteen inning
game played by the Chicago Nation-
als and the Detroit Americans in
1907.

Braves Field, the largest baseball
stadium in the world was filled with
a gathering that fell less than a
thousand below the record for a
championship throng. Bleachers and
grandstands were filled almost to ca-
pacity and in contrast to the opening
game, the spectators, thrilled with
the tenseness of the situation rooted
without cessation thruout the en-
tire two hours and thirty two min-
utes of play. Once the character of
the contest had gripped them—men,
women and boys—aided by bands,
and improvised noise producers,
raised a din that rattled the windows
of Back Bay homes and made it im-
possible to hear the umpires' deci-
sions.

Manager Robinson finally protest-
ed to the arbiters against the blare
of the bands, because his players
could not hear his coaching instruc-
tions. The thousands were exceed-
ingly fair in their applause and ev-
ery play of the many made by
Brooklyn was accorded the same ap-
proval as those made by Boston.

FATIMA

A Sensible Cigarette

Such men want comfort
AFTER smoking

IT'S NOTICEABLE that more and more sub-
stantial men are choosing Fatimas for their
steady smoke. There must be some reason for
it. Surely, these men would quickly pay a far
higher price for another cigarette if it suited
them better.

That is just it. No other cigarette can quite
give what Fatimas give.

Some other cigarettes taste good, yes. But
Fatimas do more—they are comfortable. Not
only are they comfortable to the throat and
tongue while you smoke them, but, much more
important, they leave a man feeling keen and
"fit" AFTER smoking, even though he smokes
more than usual.

EXCITED RUSHES TO SELL BREAK WHEAT
Wholesale Destruction of vessels Carries Price Down—Sharpened Export Demand Rallies Market.
Chicago, Oct. 9.—Wheat values broke severely today, 4½c a bushel, altogether on account of wholesale destruction of vessels and because of the fact that sailings were being canceled on a large scale. Sharpened export demand however rallied the market which closed firm at 1½ to 2½c net decline with December at \$1.57½ and May at \$1.56½. Corn finished ¾ to ¾c down, oats off ¾c and provisions showing a loss of five cents to 5½ cents.

PIMPLY? WELL, DON'T BE!

People Notice It. Drive Them Off with Dr. Edwards' Olive Tablets

A pimply face will not embarrass you much longer if you get a package of Dr. Edwards' Olive Tablets. The skin should begin to clear after you have taken the tablets a few nights.

Cleanse the blood, the bowels and the liver with Dr. Edwards' Olive Tablets, the successful substitute for calomel—there's never any sickness or pain after taking them.

Dr. Edwards' Olive Tablets do that which calomel does, and just as effectively, but their action is gentle and safe instead of severe and irritating.

No one who takes Olive Tablets is ever cured with "a dark brown taste," a bad breath, a dull, listless, "no good" feeling, constipation, torpid liver, bad digestion or pimply face.

Dr. Edwards' Olive Tablets are a purely vegetable compound mixed with olive oil; you will know them by their olive color.

Dr. Edwards spent years among patients afflicted with liver and bowel complaints, and Olive Tablets are the immensely effective result.

Take one or two nightly for a week. See how much better you feel and look. 10c and 25c boxes. All druggists.

SUIT BROUGHT TO SET ASIDE WILL

George P. Brown Declares Sister, Mrs. Ratliff Not of Sound Mind When She Made Disposal of Her Property—Other Suits Filed for Hearing in November.

A number of suits were filed in the circuit court Monday for hearing at the November term. The list includes the suit of Dorothy Sparks vs. Everett Sparks for divorce; the suit of Jonathan Gibbons vs. Justina DeFrates et al., bill to quiet title; Brady Bros. Hardware company, suit in assumpsit against William New, and the suit of G. P. Brown vs. Felix G. Brown et al., bill to set aside the will of Mary J. Ratliff.

W. W. Wright is attorney for Mrs. Sparks, who is seeking divorce from her husband on the ground of drunkenness. They were married August 25, 1914.

The bill to quiet title is filed by Worthington, Iccove & Green for Jonathan Gibbons and is directed against Justina DeFrates et al. The tract of land involved is in section 10, township 15 and range 11.

John M. Butler is the attorney for George P. Brown, who is the complainant against Felix G. Brown et al. in an effort to set aside the will of Mrs. Mary J. Ratliff, a sister of the complainant who died June 13, 1916.

It is set forth in the bill that Mrs. Ratliff made a document purporting to be her will June 5, or eight days prior to her death, therein bequeathing all her personal property to all her nieces and nephews share and share alike and the residue of her estate was ordered converted into cash and divide into four parts, one fourth to Felix G. Brown, one fourth to Clara Nickel, Jennie Hansmeyer and James T. Gaddis and one fourth to James F. Brown, with the charge thereon of \$1,500 in favor of the husband, John B. Ratliff, and the other one-fourth was directed to be given to Felix E. Farrell and E. E. Crabtree in trust to hold and invest in behalf of George P. Brown, Jr., and Louis Brown, during their lifetime and at their death to be distributed to their heirs at law.

It is set forth further that the complainant in his case was given nothing at all by the said will. It is further shown that the will was presented to the county court and letters testamentary granted to E. E. Crabtree, who was named in the instrument.

It is charged that at the time Mrs. Ratliff made the will that she was not of sound mind and memory and that she was afflicted with a violent sickness and delirium which impaired her mind and memory to such an extent that she was incapable of making full and proper distribution of her estate. It is set forth in the will that Louis Brown, James Mount Brown and Walden Brown are infants under the age of twenty one and that a guardian ad litem should be appointed by the court to appear for them. The suit is directed against Felix G. Brown, James F. Brown, Clara Nickel, Jennie Hansmeyer, James T. Gaddis, John B. Ratliff, George P. Brown, Jr., Esther J. Deiterich, Louis Brown, Lillian Gladman, Edith Butts, Bertha Brown, Roy Brown, Katherine Brown, Edna Owens, May Gladman, Gertrude Brown, James Mount Brown, Walter Brown, E. E. Crabtree as executor and E. E. Crabtree and Felix E. Farrell as trustees.

Lifts Your Corn Right Off. Never Fails.

"Ever in your life see a corn come out like that? Look at the corn underneath—smooth as the palm of your hand!"

Well Now, Look at That! Off Comes That Pesky Corn—Lifts it as a Whistle.

The earth is blessed with the one, simple, painless, never-failing remedy that makes millions of corn-sufferers happy, and that's "GETS-IT." Apply it in 3 seconds. It dries. Some people jab and dig at their corns with knives and razors—wrap their toes in packages with bandages or sticky tape, make them red and raw with salves. Nothing like this with "GETS-IT." Your corn loosens—you lift it off. There's nothing to press on the corn, or hurt. "GETS-IT" couldn't ask for more. Try it tonight on any corn, callus or wart.

"GETS-IT" is sold and recommended by druggists everywhere. 25c a bottle, or sent on receipt of price by E. Lawrence & Co., Chicago, Ill.

Sold in Jacksonville and recommended as the world's best corn remedy by Armstrong's Drug Store and J. A. Obermeyer.

PROHIBITIONISTS WILL VISIT CITY TODAY

Nominees for Presidency and Vice Presidency Will Speak in Central Park.

J. Frank Hanly, ex-governor of Indiana, and Dr. Ira Landrith of Tennessee, prohibition candidates for President and Vice-President will speak in Central Park Tuesday morning at 9:45. Prohibition Campaign manager Oliver W. Stewart, and prohibition candidate for governor John R. Golden will be here with them.

Henly was elected Republican Governor of Indiana in 1904 by the greatest plurality known in that state. Later he was instrumental in putting into the Republican platform a county option measure. Since then he has been a worker for prohibition. He left his party and joined the Prohibition Party this year, and soon after was nominated for President at the Prohibition Convention at St. Paul.

Dr. Ira Landrith is well-known in Christian Endeavor circles. He was one of the organizers and for a number of years president of the Anti-Saloon League of Tennessee.

RELIEVE HEADACHES WITHOUT DOSING

By Applying Sloan's Liniment To Forehead You Can Stop the Severe Pains

Many headaches are of a neuralgic origin. The symptoms of such headaches are intense and lingering pains in the brow, temples of back of the head.

There is one certain relief that has been known and recommended for years back, Sloan's Liniment. One application and the dull pain is practically gone. It is easily applied without rubbing. Rubbing is unnecessary, as Sloan's Liniment quickly penetrates to the seat of trouble.

Aching muscles, rheumatism, bruises, lumbago, chilblains, sprains and stiff neck can also be most effectively treated with Sloan's Liniment. Cleaner than musky plasters or ointments; it does not stain the skin or clog the pores.

At all drug stores, 25c, 50c, \$1.00.

The pastor left Monday for Des Moines to attend the national convention of the Christian church.

Alvin Shoemaker of Chapin was a city visitor yesterday.

MURRAYVILLE RAMBLERS WIN FROM MERRITT

Exciting Game Resulted in Score of 4 to 3—Hicks Showed Fine Speed.

Merritt met defeat at the hands of the Murrayville Ramblers at Winchester Sunday by a score of 4 to 3. The game was a pitchers battle between two southpaws, Hicks pitching for Murrayville and Smithson for Merritt.

Hicks had a world of speed and had the Merritt batters on his hip throughout the game. Had his support been better he would have scored an easier victory. Smithson for Merritt pitched a steady game, holding Murrayville to four hits. However they were mixed with errors on the part of his support and resulted in the loss of the game.

The Ramblers were the first to score. In the second inning a double, a passed ball and an error let two runs come across. Merritt put a run over in the third on a double by Smithson and a single by Stuart.

In the fifth the Ramblers put over two more, on two singles, a pass and an error.

Merritt made a bid for the game in the eighth. Williams first up hit to center for three bases. Montgomery struck out but Brackett came thru with a single and Williams counted. Mathews wag out to Lonergan and Stuart walked. But Hicks tightened and struck out the third batter.

In the ninth Battley opened for Merritt with a single. He went to second on Rigor's out at first. Williams was safe on an error and Battley was held at second. Montgomery struck out and Brackett walked. With the sacks loaded Smithson came up but the best he could do was a bounder to Young for the third out. The features of the game were the field of Rousey and the pitching of Hicks and Smithson.

Ramblers: G. Young, ss; Rable, 2b; J. Wright, lf; Lonergan, 1b; Foster, 3b; Doyle, c; C. Wright, rf; Rousey, cf; Hicks, p.

Merritt: Stuart, ss; Coats, 2b; Battley, 1b; Rigor, 3b; Williams, lf; Montgomery, rf; Brackett, cf; Mathews, c; Smithson, p.

Score by innings: R. H. E. Ramblers . . . 020 020 000—4 4 4

Merritt . . . 001 000 011—3 7 4
